

CITY OF FERNANDINA BEACH

Office of the City Engineer

cgeorge@fbfl.org

03.03.2022

All Commercial Building Construction permit applications that include single or multi-discipline activities such as:

- Structural
- Mechanical
- Electrical
- Fire Protection
- Plumbing
- Gas

Must have the drawings/plans stamped and sealed by a registered Professional Engineer licensed in the State of Florida. Any correspondence submitted to the Building Department on a specific permit application relating to revisions and/or clarifications on the plans stamped by a Professional Engineer must also be sealed by the Engineer of Record for each discipline unless otherwise approved.

A handwritten signature in black ink, appearing to read "Charles L. George".

Charles L George, P.E.
City Engineer/Deputy City Manager
Community Services Director
