The following guidelines should be reviewed and followed by any individual or company interested in film production or photography on property within the Fernandina Beach City Limits. The guidelines are subject to change and may be enforced as stipulations of a film permit.

- 1) Complete a Preliminary Film and Production Permit Application 15 days in advance of production. If your application is granted, you will be issued a permit that will include dates, times and locations cleared for filming.
- 2) If streets, parking spaces, parking areas or sidewalks are going to be blocked or traffic disrupted in any manner, City of Fernandina Beach Police officers must be scheduled at a minimum of three hours per day. The cost is \$38.00 per hour, per officer. This arrangement can be made through the City of Fernandina Beach (hross@fbfl.org).
- 3) The production company must provide a Certificate of Insurance naming the City of Fernandina Beach as additional insured. The city requires an insurance policy rider for general liability and worker's compensation for \$1,000,000.00 each occurrence and in aggregate.
- 4) Upon completion of work, all materials and debris shall be entirely removed, and the rights-of-way left in satisfactory condition as determined by the COFB Parks Superintendent.
- 5) Emergency vehicle access must always be maintained.
- 6) Amelia Island is very busy during the first two weeks of March and June through mid-August. Room nights, crowd control, restaurant access, street and sidewalk closings and traffic flow may be challenging during these times.
- 7) May 1st - October 31st is Turtle Season. No filming or driving on the beaches at night will be permitted. Sea Turtle watch Inc. group <http://www.ameliaislandseaturtlewatch.com>
- 8) The Island and City of Fernandina Beach lie within Nassau County. Some locations on Island, fall outside the City Limits but within the County limits. Allow NERFCO to guide your permitting to cover appropriate Departments.

- 9) City of Fernandina Beach has a municipal airport on the Island, drone activity will need to include a report to the Airport Manager, City of Fernandina Beach Police Department, and the Nassau County Sheriff's Office with type of drone, registration number, pilot credential, estimated altitude and contact info. There are restrictions to flight paths around the airport as well as limitations at the two state parks and near the north end where a flight pattern could get too close to Kings Bay. Productions may be required to hire off duty police officers if a drone will be used in the production.
- 10) A one-page **Notification Letter** must be sent to residents and businesses within a 300-foot radius of the requested closure(s) or filming locations. Allow NERFCO to coordinate with the City of Fernandina Beach Main Street Program for assistance in this matter.
 - a. Letter must include date, time and location(s) where filming will be conducted.
 - b. Letter must include general description of activities authorized by the permit.
 - c. Letter must be sent (5) business days prior to the production.
- 11) If there are to be any type of street, sidewalk or lane closures, a **Traffic Control Plan** must be submitted (5) business days prior to the production.
- 12) A **Security Plan** must be submitted (5) business days prior to the production.
- 13) A **Production Vehicle Plan** must be submitted (5) business days prior to the production. This plan must include description, size and weight of the production vehicles and include tag numbers and contact information for vehicles in the event there is a problem. Special dash parking passes will be issued. Vehicles without a pass may be subject to towing.

Fees:

Filming Permit Fee: \$200.00

Filming Permit Late Fee: \$300.00

Streets, rights of way, or parking space closure fee: \$500.00 per day

Other fees may apply and will be discussed prior to any permit approval.
